

09 July 2024

Greetings in the wonderful name of our Lord and Saviour, Jesus Christ. I would like to make a brief report from October till late. The months have been good, with God on our side. A lot has happened though. Just to give you a brief update on the events that took place in Ntuzuma Parish.

- We had a break in at the resource centre last year. Few items were stolen.
- We had a farewell event for the 2018-2024 Parish Council Members.
- We had successful Passover Services.
- Due to the break-in that happened at the resource centre. We couldn't go back to operating the soup kitchen. There were Maintenance that needed to be done. We did so as we had some money left during Christmas season. We saw it fit that we make food parcels for our people so that they will cook at the comfort of their homes.
- The kitchen than started operating again this year in May.
- We hosted a Young Adult League Circuit Conference (06-09 JUNE 2024). By God's grace we were able to make everything workout.
- Two of our Vicar's were ordained as Reverends. Rev.T.Luthuli was ordained at the Central Diocesan Centre (19 May 2024) and Rev. M.C.Luthuli was ordained at the Umphumulo Church Centre (30 June 2024).
- Since 2024 is an Elective Year for ELCSA, we have successfully held elections for the leagues and also the Parish Executive Committee.

I have attached pictures to show the tremendous work that we have been able to do. With you on our side.

This is the soup kitchen. Remember we cater for two congregations, (eSibusweni in Ntuzuma G and eSangweni in KwaMashu F). These pictures were taken during the first day of the kitchen (May 2024) after not operating for 4 months.

Continuation of the soup kitchen pictures.

As it was mentioned above, in December. We saw it fit that we give back to the community with Food Parcel. Remember December means Christmas. So we decided to give people food so that they will cook in the comfort of their homes. First picture is at eSubsisweni Congregation. The 2nd Picture is at eSangweni Congregation.

The break-in that happened at the resource centre. Later on last year.
